Professor Milo was genuinely the best professor I have had throughout my college experience. Perfect pacing, no wasting time, and yet stimulating and clear delivery of content. The slides and his lectures were refreshing, especially with so many other professors caring less and less about actually teaching us what matters. Genuinly grateful that I was able to have him in an important class like FoF.
Great semester. Legit the clearest teacher I've had in terms of expectations, grading, and explanations of course material.
Very well taught– one of the best professors at stern. Really appreciate the time you took explaining concepts and ensuring that you answered everyone's questions.I'm
Great instructor, learned a lot. Honestly wished there was more class time, since I had to spend a lot of time outside of class to grasp the concepts (and they're still not fully mastered).
Fastest grader I've had at NYU
Even though it was his first time teaching he was the best professor I have had yet.
AMAZING PROFESSOR!!!
Thank you so much for being such an amazing professor. Everything was explained very thoroughly which allowed finance to become a not so scary topic for me
Professor did a very good job of making sure the class was fair and engaging, especially for an online class over zoom. I was very impressed
